

**REGIONAL SCHOOL UNIT No. 67**

**EXTRACURRICULAR ACTIVITIES**

The R.S.U. No. 67 Board of Directors states that the primary purpose of extracurricular activities, including athletics is to contribute to the overall development of the student, in concert with the Board and school system's philosophy and educational goals. As participation in extracurricular activities is a significant part of the educational process, the Board is committed to making a wide variety of developmentally appropriate activities available to students.
